

YOUR TIME TO

Experience the Tranquillity

OF A RESTFUL RETREAT

YIN (75MINS)

Our transformative treatment begins with an **active full body scrub**, followed by a **full body wrap** with a cooling body mask. As your cocoon cools, it soothes sensitive skin, we will then treat you to a **relaxing scalp massage**. To complete your renewal journey and leave you feeling relieved and refreshed, the treatment ends with an **application of a nourishing body butter** and a cold marble **stone face damage massage**.
